Select Your Experience:

Choose BIG IDEA that aligns with your curriculum goals

- Relationships (with the Natural World)
- Stewardship (Earth)
- Expression (writing)

Select your package

- 1, 2 or 3

Laura tailors the plans of her visit to support your learners, collaborating with you as needed.

*Laura is happy to know about unique situations such as language, available outdoor spaces, number of students

Key Take-Aways:

Direction of visit is based on the Big Idea chosen by teacher

- Inquiry scaffolded to include self-expression (writing) or reinforce UN sustainable development goals 11 12 13
- Rhyming / syllable work
- Contribute to rich language enviro & vocab acquisition
- Understanding that words link to create message
- Author process
- Nature-related content (seasons, insects, protection...)
- Encourage student involvement, interaction

"Through my author visits, I strive to empower learners to express themselves through writing and inspire a connection with the Natural World."

Laura

Teacher Jenny, "We were so lucky to have author Laura McGahey visit this morning. Her book 'Nature Ranger' is awesome. We talked about it all day long!"
